OBJECTIVE

Machine Learning Intern at Maxgen Technologies trying to associate myself with an organization where I can utilize my skills which further gives me an opportunity to grow in my career.

EDUCATION

Adarsh English School Wadgaon Landga   2014
SSC
78

Dr. Devendra Amrutlal Ohara Junior College , Sangamner   2016
HSC
55

SAHAKAR MAHARSHI BHAUSAHEB SANTUJI THORAT COLLEGE SANGAMNER   2019
Bsc Computer Science
64

SANGAMNER NAGARPALIKA ARTS D J MALPANI COMMERCE AND B N SARADA SCIENCE COLLEGE SANGAMNER   2021
Msc Computer Science
70

EXPERIENCE

Maxgen Technologies Private Limited,Pune   1 jan 2021 - 28 Jun 2021
Python - Django - Machine Learning intern
I have worked on Python Programming language since from six months for Building Machine learning models. Tools covered are Python library Pandas , Numpy , Matplotlib , Seaborn , Sklearn , SciPy , Python django web framework , Machine Learning .

SKILLS

New Learner,Good Communication,Problem Solver   Python , Java , Javascript   Django Web Framework

Machine Learning , Pandas , Numpy , Seaborn , Matplotlib , Sklearn , SciPy , Opencv , PyTorch.

Mysql , PostgreSQL , Mongodb

PROJECTS

Diabetes Prediction
Backend Project of Diabetes Prediction using simple api in django web application.
